

Chemotherapy Checklist

The Eviti online treatment plan requires the following information.

Patient name: _____ DOB: _____ Male / Female

Insurance plan: _____ Insurance ID: _____

Patient ZIP Code: _____ Date of diagnosis: _____

Physician name: _____

Practice tax ID: _____ Physician NPI: _____

Submitter name: _____

Submitter phone: _____ Fax: _____ Email: _____

Patient Treatment Details

Patient height: _____ in / cm Patient weight: _____ lb / kg

Cancer type (site): _____ ICD-10 code: _____

Pathology: _____

Current stage of disease: (e.g. Stage IIa, Recurrent) _____

If applicable: Metastasis site(s): _____ Metastasis diagnosis date: _____

Line of therapy: (select one) Adjuvant Neoadjuvant 1st line 2nd line 3rd line 3rd+

Goal of therapy/intent: (select one) Curative Non-Curative

Total # cycles planned: _____ Cycle length (days): _____

Is this a clinical trial? Yes No Clinical trial ID or name: _____

Treatment start date (C1D1): _____ Give until progression: Yes No

Regimen name (e.g. R-CHOP, TAC): _____

Confidentiality Statement: The documents accompanying this transmission contain confidential health information that is legally privileged. This information is intended only for the use of the individual(s) or entities listed above. If you are not the intended recipient, you are hereby notified that any disclosure, copying, distribution, or action taken in reliance on the contents of these documents is strictly prohibited. If you receive this information in error, please notify the sender immediately and arrange for the return or destruction of these documents.

Chemotherapy Drug Details

Include all IV and oral medications in the regimen (chemotherapy, targeted therapy, pre-meds, antiemetics, growth factor injections and or other supportive meds) in one preauthorization. Refer to the chemotherapy orders. Attach a document with additional drugs, if necessary.

Drug name Indicate if IV or oral	Dose and units (e.g. 60 mg/m ²)	Delivered dose (e.g. 120 mg)	Schedule (e.g. D1, D1-3)	J-code

Site of service: (select one) Inpatient Outpatient

Site name: _____ Site city or ZIP Code: _____
 Site TIN: _____ Site NPI: _____

Medication source: (select one) Pharmacy Buy and bill

If you do not receive an automated Eviti code, the request goes to Eviti for review. Please attach the following documents to the online treatment plan:

- Progress note(s) with plan of care
- Pathology
- Recent lab reports (i.e. CBC, ANC)
- Scans if relative to this treatment plan
- Chemotherapy checklist
- Genomic test report, if applicable
- Any information that addresses the issues noted on the Deviation Report

If you don't attach the documents online, you can email them to mr@eviti.com or fax them to **888-468-1423**. If faxing, please use the Eviti-generated QR coded cover sheet.

***Confidentiality Statement:** The documents accompanying this transmission contain confidential health information that is legally privileged.
